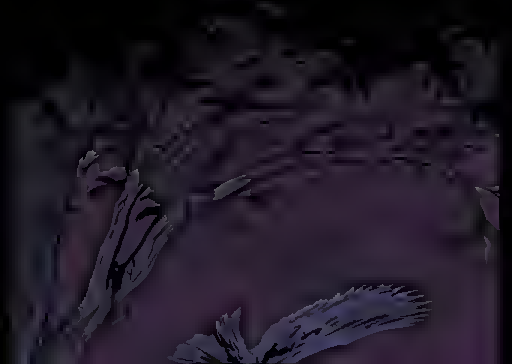
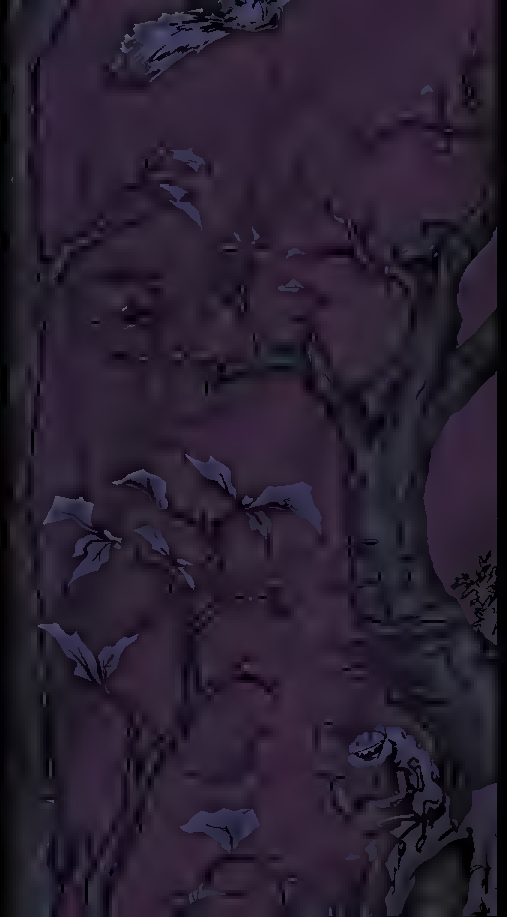
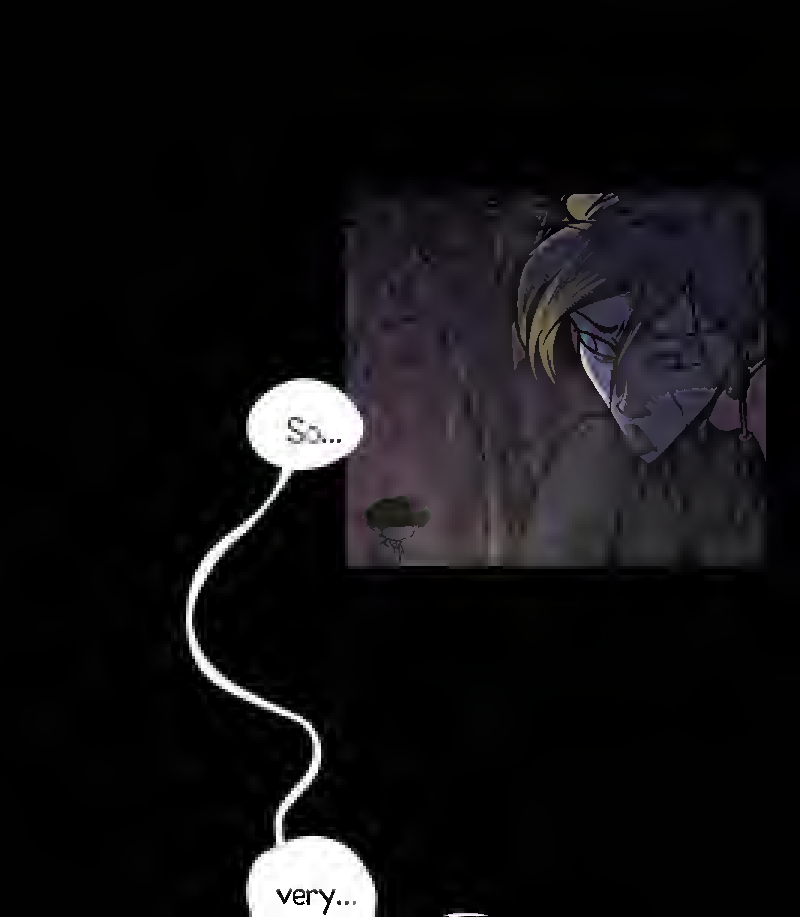
SPIRITS

The Soul Collector

BY COLIN LAWLER
& JOSEPH GRABOWSKI







So...
very...

So...

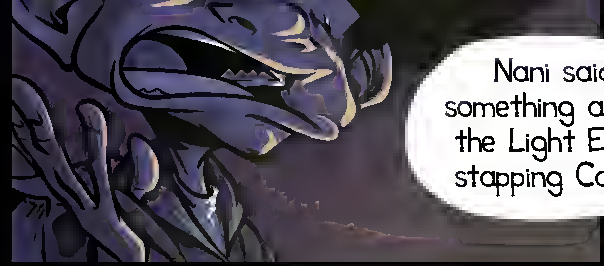
much...

walking...
If we keep this pace we should get to the lighthouse just after sunrise.

Lighthouse?

Is that where the Light Elder lives?

You heard us?
Were you eavesdropping?
I didn't mean to. I just caught the last part.



Nani said something about the Light Elder stapping Canis.

That's the dark spirit I saw attacking Kenny, right?
I tried to stap him but he gat away.
I didn't know what they cauld do.

I shouldn't have left Kenny there.
Would he still be okay if I didn't leave him?

Will, there was nothing you could have done.
The Light Elder will be able to help us.

But we won't find the Elder at the lighthouse.
My friend, Lux, lives there, and he's the oldest light spirit I know.

He'll be able to give us a lift to the Light City...
...and *there* we'll find the Light Elder.
Cool. I like light spirits.

Thank you for reading.
We love you.
More episodes to come.
